

Evolution

constant change and common threads

Fossil Evidence and Evolution

Place the fossils in the right geological era, period, and epoch.
Find the answers at www.biointeractive.org.

The Howard Hughes Medical Institute's 2005 Holiday Lectures on Science

Hear from two leading biologists about new discoveries that have transformed our understanding of how animals, plants, and humans develop and evolve.

The speakers are:

Sean B. Carroll, Ph.D.
HHMI Investigator
University of Wisconsin-Madison

David M. Kingsley, Ph.D.
HHMI Investigator
Stanford University School of Medicine
